Accelerated Reader aids scholars and teachers in managing and monitoring independent reading practice. As scholars read and take quizzes, they earn points and progress is tracked toward individualized Accelerated Reader goals.

Program Managers conference regularly with school administrators and AR Champions to provide training support reading engagement, goal setting, and strategies for implementation.

Grade Levels: K-5

Used as a companion to Accelerated Reader, myON is a student-centered, personalized digital library that gives students access to more than 7,000 enhanced digital books in the core collection. Titles are dynamically matched to each individual student's interests, grade and reading level. Combined with a suite of close reading tools and embedded supports, myON fosters student engagement and achievement.

Program Managers monitor usage and provide recommendations regarding best practices for implementation.
