The Board of Trustees of the Jackson Public School District (hereafter referred to as "JPSD") is soliciting sealed, written formal Requests for Proposals (RFP) from qualified vendors (hereafter referred to as "Vendor") for the purchase of furniture, equipment, supplies, materials, labor or services as outlined in the following specifications. Sealed rfps shall be received by JPSD, in the Business Office of the Jackson Public Schools, 662 South President Street, Jackson, Mississippi, until the time specified on the RFP Opening Schedule (front page of the formal rfp document), at which time all rfps shall be publicly opened and read aloud. Neither dating of the rfp form nor placing the rfp in the mail by this date shall meet legal requirements; the formal rfp document must be **received in the Business Office** of the Jackson Public School District on or before the date and time stated.

JPSD reserves the right to reject any and all rfps received and to waive any and all informalities. Vendors are encouraged to very carefully read all sections of this rfp document prior to submitting an rfp proposal.

It is the basic philosophy of JPSD to extend to all responsible Vendors equal consideration and the assurance of unbiased judgment in determining whether their product or service meets specifications and the educational needs of the school district. JPSD shall fairly evaluate all formal rfp proposals submitted and base all decisions on the "lowest and best" rfp concept, purchasing only those products and/or services which meet the specifications as written. All decisions rendered shall strive to achieve the greatest value from every tax dollar expended. JPSD shall make no discrimination based on race, color, creed, religion, or national origin, in either the product evaluation process or in transacting business with Vendors or Vendor representatives.

The advertising and publishing of this rfp has met all legal requirements (Mississippi Code of 1972, Annotated, §31-7-13), hence the requirement to offer public notice of the intent of JPSD to solicit rfps via this rfp document has been satisfied.

This document is to serve as an invitation to all qualified vendors to extend to JPSD, an offer, for the sale of all products and/or services specified herein. It is the purpose of this rfp document to clearly define "open" and "competitive" product or service rfp specifications. All items on this rfp are to be **as specified or JPSD approved equal**.

Addendum: Vendor shall acknowledge the receipt of all addendums which were issued during the course of this rfp. If specified in the text of the addendum, in addition to acknowledging receipt of the addenda below, the addenda may require additional information required for the rfp (e.g., pricing), in which case the Addendum shall not only be acknowledged below but shall be completed and attached to the rfp at the time the rfp proposal is submitted. Receipt of the following Addendum issued during the course of this formal rfp is hereby acknowledged:

Addendum Number		Date	
Addendum Number		Date	
Addendum Number		Date	

It is acknowledged that this rfp proposal consists of the following sections: **PROPOSAL FORM, INSTRUCTIONS AND CONDITIONS, SPECIFICATIONS** and any **ADDENDUM** (if applicable).

Net Prices

In all cases, prices quoted are to be net including all applicable discounts. A separate price shall be offered for each item and not in combination with other items (unless the grouping of items is otherwise allowed as defined in the specifications). Unit price shall prevail in case of a conflict between unit and total price (extension); written price shall prevail in case of a conflict between written and enumerated pricing. Vendors are instructed to **round off all unit pricing and extensions to the nearest whole cent; i.e., round the pricing to two places to the right of the decimal point only**. JPSD will only accept pricing which is stated in this manner. All items for which pricing is submitted which is other than two places to the right of the decimal shall be accepted; however, all digits beyond a whole cent (more than two places to the right of the decimal) shall be ignored in the rfp analysis process and the unit price indicated on the purchase order shall be to the nearest whole cent for each item involved.

Payment and Invoicing

Unless otherwise indicated in the detailed specifications of this rfp document; JPSD shall make remittance in a **single lump sum** payment **following satisfactory delivery of all items** listed on the purchase order or following satisfactory performance (final inspection) of all services as specified in the contract. JPSD remits by "completed purchase order" only; remittance shall not be made upon receipt of partial shipments or performance, or the receipt of invoicing for same, but only after all items included on the purchase order or contained in the contract are delivered and/or satisfied.

It is mutually understood that invoices submitted against Multi-Year or Open Purchase Orders, remittances are processed based on the contracted scheduled agreement prior to the purchase order being generated. Only **Multi-Year** and **Open Purchase Orders** have multiple invoices received for remittance for payment. Professional Services, materials and other such services; invoices are submitted for payment in intervals following satisfactory delivery of ALL services and /or performance of ALL services indicated in the contracted agreement between said vendor and JPSD for that time period, following inspection if applicable.

Performance Penalty

The Consultant is subject to a 10% penalty on this Agreement for the 2022-2023 school year if the academic objectives of this agreement are not satisfied. The District will withhold 10% of the total contract for final payment to be made after the academic objectives are satisfied.

Default and Delays

Upon failure of the Vendor to deliver all of the items ordered or to render service, within the time set or allowed, the successful Vendor shall be considered in default, in which case JPSD reserves the right to terminate the purchase order or contract and to purchase similar supplies, services, or furniture and equipment, on the open market or secure the manufacture, delivery, and installation thereof by contract or otherwise. The Vendor shall be charged with any cost occasioned by JPSD whether said cost is the same as originally accepted or any excess cost.

Damage to School Property

Any damage or loss to JPSD property as a result of any action by the Vendor in the delivery, execution or performance of any item or service stated in these specifications shall be repaired or replaced to the satisfaction of designated JPSD personnel, at the Vendor's cost, within a reasonable time.

Guarantee

Each Vendor, by presenting an rfp under these specifications, binds himself to make positive that all goods are fully up to the standards set by the specifications. Should it be discovered within a reasonable period of time from the date of purchase order or contract that such goods or services are not up to standard, JPSD shall have the right to have such goods or services replaced by others conforming to the standard requirements and the entire expense be borne by the Vendor. The Vendor shall agree to guarantee and warrant all equipment provided as a result of this rfp for a period equal to the stated guaranty/warranty in the specifications. All such warranties shall provide the coverage as indicated in the specifications.

Acceptance and Award of RFP Proposals

The Vendor's rfp proposal, once submitted and accepted as a valid rfp by JPSD, shall be deemed by both parties to constitute a legal and binding offer on the part of the Vendor to sell to JPSD as per the terms of the rfp specifications, all products and/or services contained therein. RFP proposals are subject to acceptance by JPSD at any time within forty-five (45) calendar days following the rfp opening date. Consequently, all price quotations shall be effective for a minimum of forty-five (45) calendar days and a maximum period as indicated in the specifications. All rfps must be valid for the effective dates stated in the specification, if applicable.

Award of contract shall be made to the responsible Vendor whose rfp, conforming to the specifications, is deemed to be the most advantageous to JPSD, price and all other factors considered. The Vendor acknowledges the right of JPSD to reject the rfp, in part or in total, if the Vendor fails to submit the data required in the specifications, or if the rfp is in any way incomplete or irregular. Under no circumstances may a Vendor deliver, install, or perform any service as specified in these specifications without written authorization from JPSD (i.e., a duly issued purchase order or signed contract). All RFPs shall be approved by the Board of Trustees prior to the final award.

The Vendor shall be issued a purchase order document, which shall be deemed acceptance of the rfp proposal offer made by the Vendor, for all items and/or services approved by the Board of Trustees and awarded as a result of this rfp. However, if in the opinion of JPSPD a contract document is required to authorize the award of the rfp, Vendor agrees to sign and execute all such contract documents as required in the written specifications. NOTE: If Vendor policy requires that JPSPD sign Vendor contract documents, a sample of all such documents shall be included with the rfp proposal and shall become a part of the Vendor's rfp proposal.

All awards are based on the availability of funding. In the event of a reduction of funds, this award can be rescinded at any time.

Grievance Procedure

JPSPD has adopted a Vendor Grievance Procedure to address and resolve any Vendor grievances or disputes resulting from or arising out of JPSPD's rfp process. If Vendor disagrees with any aspect of the rfp process, Vendor shall adhere to the following procedure. Vendor shall submit a letter or written statement of protest to the Purchasing Agent, with a copy to the Superintendent, identifying the rfp, including rfp number, title, opening date and, if applicable, the item number(s) at issue, and explaining, in detail, the nature of and/or reason(s) for the protest. No verbal protest shall be acknowledged by JPSPD. Vendor protests must be received by the Purchasing Agent not later than five (5) business days prior to the date of the Board meeting at which the Board is to act upon the rfp that is the subject of the protest. A review committee, appointed by the Superintendent, shall evaluate the protest and render a decision expeditiously. The decision of the review committee shall be based on evidence presented by the Vendor, the Purchasing Agent and other appropriate parties, to be determined in the discretion of the committee. In the sole discretion of the committee, the committee may conduct a hearing on Vendor's protest. The decision of the review committee shall be submitted to the Superintendent for approval. The protesting Vendor shall be informed, in writing, of the Superintendent's decision not later than two (2) business days prior to the date of the Board meeting at which the Board is to act upon the rfp that is the subject of the protest. The Superintendent's decision shall be final unless Vendor appeals such decision to the Board of Trustees. If Vendor wishes to appeal the Superintendent's decision, Vendor shall deliver its appeal, in writing, to the Office of the Superintendent not later than 12:00 p.m. on the date of the Board meeting at which the Board is to act upon the rfp that is the subject of the appeal. Appeals shall be presented to the Board at the meeting at which the Board acts upon the rfp that is the subject of the appeal and Vendor, upon written request, will be granted up to five (5) minutes to appear and present to the Board at such meeting its protest and/or appeal. After the Board takes final action upon an rfp, no appeals or protests will be acknowledged by JPSPD. The decision of the Board shall be final, subject to Vendor's right to pursue a legal remedy.

Proposal
Summer Enrichment Program and Activities
(Address Learning Loss & Academic Enrichment)

1.0 INTRODUCTION

The Jackson Public School District will host an in-person free summer enrichment camp from June 6 - July 1, 2022, for all current 2nd, 3rd, 5th, 7th, 8th, 9th-grade students. JPS seeks collaborative community-based partners to provide research-based support for scholars' academic recovery from learning lost due to COVID-19 pandemic-related extended school closures. The purpose of this RFP is for JPS to:

- 1) Financially support community partner organizations to provide programs that accelerate learning and close opportunity gaps across student demographic groups through research-based summer learning programs for JPS scholars, AND
- 2) Build capacity for collaborative data-sharing and coordination of services to effectively identify and meet student learning needs.

The four program goals of our summer enrichment camp are to:

- Minimize or stop the effects of summer learning loss for participating youth.
- Prepare students academically and socially so that they are equipped with the knowledge and skills necessary to successfully begin the next school year.
- Encourage a passion for learning and exploration that is a driving factor for future academic success.
- Motivate youth to persist in the face of challenges with the knowledge that hard work and effort will yield success.

The summer enrichment camp will be held from 8:30 a.m. - 4:30 p.m., daily. The highest projected enrollment for the summer enrichment program is 7,000+ scholars. Potential partners must meet preliminary program standards to be considered as a provider and if selected, must demonstrate high-quality service in order to continue serving as a provider. All partner organizations are required to register with the MS Statewide Afterschool Network (MSAN) prior to submitting an RFP. Link to MSAN registration is [here](#).

2.0 PROGRAM STRUCTURES

OPTION 1 - Academics and Enrichments

The morning will be **ACADEMIC** focused, with engaging lessons and activities aligned with essential lessons and activities that scholars will need to be successful during the upcoming school year. JPS certified teachers will use curricular resources for engaging summer learning experiences, utilize research-based strategies for high dosage tutoring, and provide other resources and services for scholars, as needed and appropriate for various scholar populations.

The afternoon will be **ENRICHMENT** focused, with a combination of offerings which may include: visual/performing arts, sports, academic clubs, and community service. We rely on contracted partners to facilitate this creative, dynamic programming, and we are currently seeking high-quality organizations and individuals to work with our scholars for this coming summer. As we aim to provide a variety of program options, we anticipate selecting multiple providers. The student's final enrichment schedule will be based on enrollment and session availability.

OPTION 2 - Comprehensive Summer Program (Click [here](#) for description and definition including evidence-based outcomes, program components, and key principles of effectiveness)

JPS also invites high-performing, fiscally responsible, non-profit, youth development organizations serving children and youth to apply for this grant competition. These programs operate at the nexus of schools, families, and communities to expand learning opportunities and accelerate students' learning and growth. Organizations applying must demonstrate (1) experience managing a summer camp or youth programming, (2) ability to implement evidence-based practices that support positive youth development, (3) offer enrichment and recreation opportunities, (4) provide learning acceleration, (5) collaborate with other public and private entities, (6) incorporate

parental and family involvement, and (7) provide appropriate training for staff and volunteers. These programs must operate a minimum of 8 hours per day, 5 days a week from June 6 - July 1, 2022.

Site Logistics

Applicants may opt to be on-site or off-site providers, as described below:

- **On-Site Providers:** On-site providers are organizations that provide services at the location where scholars will be participating in the morning academic portion of the camp. Onsite providers will need to detail any special facilities requirements (e.g., gym space, a room with sinks, etc.) and transportation requirements (include details in the budget narrative) for special events such as field trips, if applicable
- **Off-Site Providers:** Off-site providers are organizations that provide services at a location different than the site where scholars will be participating in the morning academic portion of the camp. **The District will not provide transportation to off-site locations.**

Responsiveness to Culture and Identity

Programs that provide scholars with an opportunity to explore their identity within the context of their own culture as well as others deepen young people's sense of self-agency and increase their openness and understanding toward all people.

- **Supporting scholar’s identity exploration (5 points)**
 - How will your program support scholars to explore their own identity, including cultural beliefs and practices?
- **Staff and Volunteers Lived Experience (5 points)**
 - Describe how staff and volunteers reflect the race, gender, culture, sexual orientation, language, and other qualities of the scholars being served.

Family and Community Engagement

Scholars’ developments are strengthened when positive reinforcement comes from many partners working together — from parents, families, and caregivers who feel valued by the program and can better support their children at home to communities that are strengthened by a positive image of scholars making valuable contributions to our world.

- **Family Engagement (5 points)**
 - How will your program build positive and meaningful relationships with families, including communication and opportunities for participation?
- **Community Engagement (5 points)**
 - Describe how your program is visible and engages scholars in their local community. If relevant, list and describe all formal partnerships that are contributing to the summer programs in this proposal.

Organizational and Leadership Management

A summer program is only as good as the people who run it and as solid as the foundation upon which it is built. Research shows that programs are most likely to impact student success when they are safe and stable and when staff is supported through professional development and training.

- **Scholar’s Safety (5 points)**
 - Please briefly describe your organization’s approach to ensuring participants’ social, emotional, and physical safety. How are you ensuring that all scholars are able to participate safely, including Americans with Disabilities Act (ADA) accessibility?
- **Professional Development (5 points)**
 - Please describe how your organization will engage summer program staff in professional development? Which staff will participate? How often and what type of professional development topics will staff have access?

Evaluation Approaches (10 points)

What data will you collect to measure your progress toward or success in achieving your intended outcomes? How will you collect it?
