Company's W-9 must accompany this form for IRS purposes. Revised 07-13-22 bj

The Board of Trustees of the Jackson Public School District (hereafter referred to as "JPSD") is soliciting sealed, written formal RFQ proposals from qualified vendors (hereafter referred to as "Vendor") for the purchase of furniture, equipment, supplies, materials, labor or services as outlined in the following specifications. Sealed RFQs shall be received by JPSD, in the Business Office of the Jackson Public Schools, 662 South President Street, Jackson, Mississippi, until the time specified on the RFQ Opening Schedule (front page of the formal RFQ document), at which time all RFQs shall be publicly opened and read aloud. Neither dating of the RFQ form nor placing the RFQ in the mail by this date shall meet legal requirements; the formal RFQ document must be **received in the Business Office** of the Jackson Public School District on or before the date and time stated.

JPSD reserves the right to reject any and all RFQs received and to waive any and all informalities. Vendors are encouraged to very carefully read all sections of this RFQ document prior to submitting an RFQ proposal.

It is the basic philosophy of JPSD to extend to all responsible Vendors equal consideration and the assurance of unbiased judgment in determining whether their product or service meets specifications and the educational needs of the school district. JPSD shall fairly evaluate all formal RFQ proposals submitted and base all decisions on the "lowest and best" RFQ concept, purchasing only those products and/or services which meet the specifications as written. All decisions rendered shall strive to achieve the greatest value from every tax dollar expended. JPSD shall make no discrimination based on race, color, creed, religion, or national origin, in either the product evaluation process or in transacting business with Vendors or Vendor representatives.

The advertising and publishing of this RFQ has met all legal requirements (Mississippi Code of 1972, Annotated, §31-7-13), hence the requirement to offer public notice of the intent of JPSD to solicit RFQs via this RFQ document has been satisfied.

This document is to serve as an invitation to all qualified vendors to extend to JPSD, an offer, for the sale of all products and/or services specified herein. It is the purpose of this RFQ document to clearly define "open" and "competitive" product or service RFQ specifications. All items on this RFQ are to be **as specified or JPSD approved equal**.

Addendum: Vendor shall acknowledge the receipt of all addendums that may have been during the course of this RFQ. If specified in the text of the addendum, in addition to acknowledging receipt of the addenda below, the addenda may require additional information required for the RFQ (e.g., pricing), in which case the Addendum shall not only be acknowledged below but shall be completed and attached to the RFQ at the time the RFQ proposal is submitted. Receipt of the following Addendum issued during the course of this formal RFQ is hereby acknowledged:

Addendum Number		Date	
Addendum Number		Date	
Addendum Number		Date	

It is acknowledged that this RFQ proposal consists of the following sections: **PROPOSAL FORM, INSTRUCTIONS AND CONDITIONS, SPECIFICATIONS** and any **ADDENDUM** (if applicable).

Net Prices

In all cases, prices quoted are to be net including all applicable discounts. A separate price shall be offered for each item and not in combination with other items (unless the grouping of items is otherwise allowed as defined in the specifications). Unit price shall prevail in case of a conflict between unit and total price (extension); written price shall prevail in case of a conflict between written and enumerated pricing. Vendors are instructed to **round off all unit pricing and extensions to the nearest whole cent; i.e., round the pricing to two places to the right of the decimal point only**. The JPSD mainframe computer database is designed to accept only pricing which is stated in this manner. All items for which pricing is submitted which is other than two places to the right of the decimal shall be accepted; however, all digits beyond a whole cent (more than two places to the right of the decimal) shall be ignored in the RFQ analysis process and the unit price indicated on the purchase order shall be to the nearest whole cent for each item involved.

Proposer may include a table or document breaking down components of their proposed salary.

Payment and Invoicing

Unless otherwise indicated in the detailed specifications of this RFQ document; JPSPD shall make remittance in a **single lump sum** payment **following satisfactory delivery of all items** listed on the purchase order or following satisfactory performance (final inspection) of all services as specified in the contract. JPSPD remits by "completed purchase order" only; remittance shall not be made upon receipt of partial shipments or performance, or the receipt of invoicing for same, but only after all items included on the purchase order or contained in the contract are delivered and/or satisfied.

It is mutually understood that invoices submitted against Multi-Year or Open Purchase Orders, remittances are processed based on the contracted scheduled agreement prior to the purchase order being generated. Only **Multi-Year** and **Open Purchase Orders** have multiple invoices received for remittance for payment. Professional Services, materials and other such services; invoices are submitted for payment in intervals following satisfactory delivery of ALL services and /or performance of ALL services indicated in the contracted agreement between said vendor and JPSPD for that time period, following inspection if applicable.

Default and Delays

Upon failure of the Vendor to deliver all of the items ordered or to render service, within the time set or allowed, the successful Vendor shall be considered in default, in which case JPSPD reserves the right to terminate the purchase order or contract and to purchase similar supplies, services, or furniture and equipment, on the open market or secure the manufacture, delivery, and installation thereof by contract or otherwise. The Vendor shall be charged with any cost occasioned by JPSPD whether said cost is the same as originally accepted or any excess cost.

Damage to School Property

Any damage or loss to JPSPD property as a result of any action by the Vendor in the delivery, execution or performance of any item or service stated in these specifications shall be repaired or replaced to the satisfaction of designated JPSPD personnel, at the Vendor's cost, within a reasonable time.

Guarantee

Each Vendor, by presenting an RFQ under these specifications, binds himself to make positive that all goods are fully up to the standards set by the specifications. Should it be discovered within a reasonable period of time from the date of purchase order or contract that such goods or services are not up to standard, JPSPD shall have the right to have such goods or services replaced by others conforming to the standard requirements and the entire expense be borne by the Vendor. The Vendor shall agree to guarantee and warrant all equipment provided as a result of this RFQ for a period equal to the stated guaranty/warranty in the specifications. All such warranties shall provide the coverage as indicated in the specifications.

Acceptance and Award of RFQ Proposals

The Vendor's RFQ proposal, once submitted and accepted as a valid RFQ by JPSPD, shall be deemed by both parties to constitute a legal and binding offer on the part of the Vendor to sell to JPSPD as per the terms of the RFQ specifications, all products and/or services contained therein. RFQ proposals are subject to acceptance by JPSPD at any time within ninety (90) calendar days following the RFQ opening date. Consequently, all price quotations shall be effective for a minimum of ninety (90) calendar days and a maximum period as indicated in the specifications. All RFQs must be valid for the effective dates stated in the specification, if applicable.

Award of contract shall be made to the responsible Vendor whose RFQ, conforming to the specifications, is deemed to be the most advantageous to JPSPD, price and all other factors considered. The Vendor acknowledges the right of JPSPD to reject the RFQ, in part or in total, if the Vendor fails to submit the data required in the specifications, or if the RFQ is in any way incomplete or irregular. Under no circumstances may a Vendor deliver, install, or perform any service as specified in these specifications without written authorization from JPSPD (i.e., a duly issued purchase order or signed contract). All formal RFQ proposals shall be approved by the Board of Trustees prior to the award of the RFQ.

The Vendor shall be issued a purchase order document, which shall be deemed acceptance of the RFQ proposal offer made by the Vendor, for all items and/or services approved by the Board of Trustees and awarded as a result of this RFQ. However, if in the opinion of JPSPD a contract document is required to authorize the award of the RFQ, Vendor agrees to sign and execute all such contract documents as required in the written specifications. NOTE: If Vendor policy requires that JPSPD sign Vendor contract documents, a sample of all such documents shall be included with the RFQ proposal and shall become a part of the Vendor's RFQ proposal.

All awards are based on the availability of funding. In the event of a reduction of funds, this award can be rescinded at any time.

Grievance Procedure

JPSPD has adopted a Vendor Grievance Procedure to address and resolve any Vendor grievances or disputes resulting from or arising out of JPSPD's RFQ process. If Vendor disagrees with any aspect of the RFQ process, Vendor shall adhere to the following procedure. Vendor shall submit a letter or written statement of protest to the Purchasing Agent, with a copy to the Superintendent, identifying the RFQ, including RFQ number, title, opening date and, if applicable, the item number(s) at issue, and explaining, in detail, the nature of and/or reason(s) for the protest. No verbal protest shall be acknowledged by JPSPD. Vendor protests must be received by the Purchasing Agent not later than five (5) business days prior to the date of the Board meeting at which the Board is to act upon the RFQ that is the subject of the protest. A review committee, appointed by the Superintendent, shall evaluate the protest and render a decision expeditiously. The decision of the review committee shall be based on evidence presented by the Vendor, the Purchasing Agent and other appropriate parties, to be determined in the discretion of the committee. In the sole discretion of the committee, the committee may conduct a hearing on Vendor's protest. The decision of the review committee shall be submitted to the Superintendent for approval. The protesting Vendor shall be informed, in writing, of the Superintendent's decision not later than two (2) business days prior to the date of the Board meeting at which the Board is to act upon the RFQ that is the subject of the protest. The Superintendent's decision shall be final unless Vendor appeals such decision to the Board of Trustees. If Vendor wishes to appeal the Superintendent's decision, Vendor shall deliver its appeal, in writing, to the Office of the Superintendent not later than 12:00 p.m. on the date of the Board meeting at which the Board is to act upon the RFQ that is the subject of the appeal. Appeals shall be presented to the Board at the meeting at which the Board acts upon the RFQ that is the subject of the appeal and Vendor, upon written request, will be granted up to five (5) minutes to appear and present to the Board at such meeting its protest and/or appeal. After the Board takes final action upon an RFQ, no appeals or protests will be acknowledged by JPSPD. The decision of the Board shall be final, subject to Vendor's right to pursue a legal remedy.

Request for Qualifications:

Project Management and Communications Contractor to Support the JPS-Hinds Early Learning Collaborative

Introduction: The Jackson Public School District recognizes the importance of early childhood education and development programs and services for children from birth to school entry. In 2019, the District launched its strategic plan [Excellence for All](#) which championed the growth of high-quality prekindergarten access within the City of Jackson for all four year olds.

Over the next several years, the District worked to grow prekindergarten seats and provide more scholars a “strong start” through its Optimizing for Equity plan, adding one hundred prekindergarten seats at McWillie Elementary School (North Jackson) and reconfiguring Van Winkle Elementary School from K-5 to a full Prek-4 early childhood center (South Jackson).

In April 2022, the District formed the JPS-Hinds Early Learning Collaborative in partnership with Hinds County Human Resource Agency, Jackson State University’s Lottie Thornton Center, and the Greater Bethel Temple Little Saints program. Together, the Collaborative secured \$9.1 million over three years to support the growth of high-quality access in Jackson. Paired with existing district and federal funding, this investment will grow the capacity to serve up to 1,226 four-year old scholars, roughly comparable with the entering kindergarten cohort enrollment in Jackson Public Schools.

Scope of Work: Contractor will support the efficient operations of the JPS-Hinds Early Learning Collaborative from Fall 2022 through June 30, 2024 including support to Deputy Superintendent, JPS Early Childhood Director, and collaborative partners in the following activities:

- Communications – manage the content of the JPS Prekindergarten website [page](#); develop a monthly newsletter for collaborative educators; develop promotional materials related to early childhood staffing and student enrollment; develop promotional

materials and media to promote the Early Learning Collaborative Tax Credit

- Project management – create and manage a workplan for Collaborative activities, specifically related to recruitment of staffing and student enrollment
- Community engagement – assist in organizing opportunities to engage and partner with Jackson families, members of the MS Early Childhood community, and other key stakeholders in the asset mapping and strategic visioning process; develop engagement for diverse student populations, especially students with disabilities and non-native English speakers; offer strategic support on the expansion of JPS’ Parent Academy programming

Contractor Types: These responsibilities could be carried out by an individual as an independent contractor or by a MS organization that could devote existing staff capacity.

Qualifications: Ideal candidates would have experience in communications and project management and would be knowledgeable of Mississippi’s early childhood landscape. Ideal organizations submitting proposals would also have aligned missions, well established relationships with early childhood leaders in MS and the institutions that support that workforce, and capacity to be an effective partner.

Location: The Collaborative operates from Jackson, MS. Therefore, we seek applicants based in Mississippi.

Proposal Requirements: To express interest in this contract please submit a resume and cover letter noting:

- Relevant experience and knowledge of Mississippi early childhood landscape
- Availability (# of hours per week) through June 30, 2024
- Proposed hourly rate, any expenses, and total budget through June 30, 2024
- Name and contact information for two references

Management: Jackson Public Schools will administer the contract, disburse payments, and ensure activities and deliverables in the scope of work are achieved. The Office of the Deputy Superintendent will guide and supervise day-to-day work of the contractor.

Point of contact: Dr. Michael Cormack, Jr., Deputy Superintendent, Jackson Public Schools
