Company's W-9 must accompany this form for IRS purposes. The vendor must provide proof of insurance (Certificate of Insurance) for not less than \$1,000,000.00 as stated in Mississippi Code Section 31-7-139v)

The Board of Trustees of the Jackson Public School District (hereafter referred to as "JPSD") is soliciting sealed, written formal RFQ proposals from qualified vendors (hereafter referred to as "Vendor") for the purchase of furniture, equipment, supplies, materials, labor, or services as outlined in the following specifications. Sealed RFQs (REQUEST FOR QUALIFICATIONS) shall be received by JPSD, in the Business Office of the Jackson Public Schools, 662 South President Street, Jackson, Mississippi, until the time specified on the RFQ Opening Schedule (front page of the formal RFQ document), at which time all RFQs shall be publicly opened and read aloud. Neither dating of the RFQ form nor placing the RFQ in the mail by this date shall meet legal requirements; the formal RFQ document must be **received in the Business Office** of the Jackson Public School District on or before the date and time stated.

JPSD reserves the right to reject all RFQs received and to waive all informalities. Vendors are encouraged to read all sections of this RFQ document carefully before submitting an RFQ proposal.

It is the basic philosophy of JPSD to extend to all responsible Vendors equal consideration and the assurance of unbiased judgment in determining whether their product or service meets specifications and the educational needs of the school district. JPSD shall fairly evaluate all formal RFQ proposals submitted and base all decisions on the "lowest and best" RFQ concept, purchasing only those products and/or services which meet the specifications as written. All decisions rendered shall strive to achieve the greatest value from every tax dollar expended. JPSD shall make no discrimination based on race, color, creed, religion, or national origin, in either the product evaluation process or in transacting business with Vendors or Vendor representatives.

The advertising and publishing of this RFQ has met all legal requirements (Mississippi Code of 1972, Annotated, §31-7-13), hence the requirement to offer public notice of the intent of JPSD to solicit RFQs via this RFQ document has been satisfied.

This document is to serve as an invitation to all qualified vendors to extend to JPSD, an offer, for the sale of all products and/or services specified herein. This RFQ document's purpose is to define "open" and "competitive" product or service RFQ specifications. All items on this RFQ are to be **as specified or JPSD approved equal**.

Addendum: Vendor shall acknowledge receipt of all addendums that may have been during this RFQ.

If specified in the text of the addendum, in addition to acknowledging receipt of the addenda below, the addenda may require additional information required for the RFQ (e.g., pricing), in which case the Addendum shall not only be acknowledged below but shall be completed and attached to the RFQ at the time the RFQ proposal is submitted. Receipt of the following Addendum issued during this formal RFQ is hereby acknowledged:

Addendum Number		Date	
Addendum Number		Date	
Addendum Number		Date	

It is acknowledged that this RFQ proposal consists of the following sections: **PROPOSAL FORM, INSTRUCTIONS AND CONDITIONS, SPECIFICATIONS,** and any **ADDENDUM** (if applicable).

Net Prices

In all cases, prices quoted are to be net including all applicable discounts. A separate price shall be offered for each item and not in combination with other items (unless the grouping of items is otherwise allowed as defined in the specifications). Unit price shall prevail in case of a conflict between unit and total price (extension); written price shall prevail in case of a conflict between written and enumerated pricing. Vendors are instructed to **round off all unit pricing and extensions to the nearest whole cent; i.e., round the pricing to two places to the right of the decimal point only**. The JPSD mainframe computer database is designed to accept only pricing stated in this way. All items for which pricing is submitted which is other than two places to the right of the decimal shall be accepted; however, all digits beyond a whole cent (more than two places to the right of the decimal) shall be ignored in the RFQ analysis process and the unit price indicated on the purchase order shall be to the nearest whole cent for each item involved.

Payment and Invoicing

Unless otherwise indicated in the detailed specifications of this RFQ document; JPSD shall make remittance in a **single lump sum** payment **following satisfactory delivery of all items** listed on the purchase order or following satisfactory performance (final inspection) of all services as specified in the contract. JPSD remits by "completed purchase order" only; remittance shall not be made upon receipt of partial shipments or performance, or the receipt of invoicing for same, but only after all items included on the purchase order or contained in the contract are delivered and/or satisfied.

It is mutually understood that invoices submitted against Multi-Year or Open Purchase Orders, remittances are processed based on the contracted scheduled agreement prior to the purchase order being generated. Only **Multi-Year** and **Open Purchase Orders** have multiple invoices received for remittance for payment. Professional Services, materials, and other such services; invoices are submitted for payment in intervals following satisfactory delivery of ALL services and /or performance of ALL services indicated in the contracted agreement between said vendor and JPSD for that period, following inspection if applicable.

Default and Delays

Upon failure of the Vendor to deliver all the items ordered or to render service, within the time set or allowed, the successful Vendor shall be considered in default, in which case JPSD reserves the right to terminate the purchase order or contract and to purchase similar supplies, services, or furniture and equipment, on the open market or secure the manufacture, delivery, and installation thereof by contract or otherwise. The Vendor shall be charged with any cost occasioned by JPSD whether said cost is the same as originally accepted or any excess cost.

Damage to School Property

Any damage or loss to JPSD property because of any action by the Vendor in the delivery, execution or performance of any item or service stated in these specifications shall be repaired or replaced to the satisfaction of designated JPSD personnel, at the Vendor's cost, within a reasonable time.

Guarantee

Each Vendor, by presenting an RFQ under these specifications, binds himself to make positive that all goods are fully up to the standards set by the specifications. Should it be discovered within a reasonable period from the date of purchase order or contract that such goods or services are not up to standard, JPSD shall have the right to have such goods or services replaced by others conforming to the standard requirements and the entire expense be borne by the Vendor. The Vendor shall agree to guarantee and warrant all equipment provided because of this RFQ for a period equal to the stated guaranty/warranty in the specifications. All such warranties shall provide the coverage as indicated in the specifications.

Acceptance and Award of RFQ Proposals

The Vendor's RFQ proposal, once submitted and accepted as a valid RFQ by JPSD, shall be deemed by both parties to constitute a legal and binding offer on the part of the Vendor to sell to JPSD as per the terms of the RFQ specifications, all products and/or services contained therein. RFQ proposals are subject to acceptance by JPSD at any time within **ninety (90)** calendar days following the RFQ opening date. Consequently, all price quotations shall be effective for a minimum of ninety (90) calendar days and a maximum period as indicated in the specifications. All RFQs must be valid for the effective dates stated in the specification, if applicable.

Award of contract shall be made to the responsible Vendor whose RFQ, conforming to the specifications, is deemed the most advantageous to JPSD, price and all other factors considered. The Vendor acknowledges the right of JPSD to reject the RFQ, in part or in total, if the Vendor fails to submit the data required in the specifications, or if the RFQ is in any way incomplete or irregular. Under no circumstances may a Vendor deliver, install, or perform any service as specified in these specifications without written authorization from JPSD (i.e., a duly issued purchase order or signed contract). All formal RFQ proposals shall be approved by the Board of Trustees prior to the award of the RFQ.

The Vendor shall be issued a purchase order document, which shall be deemed acceptance of the RFQ proposal offer made by the Vendor, for all items and/or services approved by the Board of Trustees and awarded because of this RFQ. However, if in the opinion of JPSD a contract document is required to authorize the award of the RFQ, Vendor agrees to sign and execute all such contract documents as required in the written specifications. NOTE: If Vendor policy requires that JPSD sign Vendor contract documents, a sample

of all such documents shall be included with the RFQ proposal and shall become a part of the Vendor's RFQ proposal.

All awards are based on the availability of funding. In the event of a reduction of funds, this award can be rescinded at any time.

Grievance Procedure

JPSD has adopted a Vendor Grievance Procedure to address and resolve any Vendor grievances or disputes resulting from or arising out of JPSD's RFQ process. If Vendor disagrees with any aspect of the RFQ process, Vendor shall adhere to the following procedure. Vendor shall submit a letter or written statement of protest to the Purchasing Agent, with a copy to the Superintendent, identifying the RFQ, including RFQ number, title, opening date and, if applicable, the item number(s) at issue, and explaining, in detail, the nature of and/or reason(s) for the protest. No verbal protest shall be acknowledged by JPSD. Vendor protests must be received by the Purchasing Agent no later than five business days prior to the date of the Board meeting at which the Board is to act on the RFQ that is the protest's subject. A review committee, appointed by the Superintendent, shall evaluate the protest, and render a decision expeditiously. The review committee's decision shall be based on evidence presented by the Vendor, the Purchasing Agent, and other appropriate parties, to be determined at the committee's discretion. In the sole discretion of the committee, the committee may conduct a hearing on Vendor's protest. The decision of the review committee shall be submitted to the Superintendent for approval. The protesting Vendor shall be informed, in writing, of the Superintendent's decision not later than two (2) business days prior to the date of the Board meeting at which the Board is to act upon the RFQ that is the subject of the protest. The Superintendent's decision shall be final unless Vendor appeals such decision to the Board of Trustees. If Vendor wishes to appeal the Superintendent's decision, Vendor shall deliver its appeal, in writing, to the Office of the Superintendent not later than 12:00 p.m. on the date of the Board meeting at which the Board is to act upon the RFQ that is the subject of the appeal. Appeals shall be presented to the Board at the meeting at which the Board acts upon the RFQ that is the subject of the appeal and Vendor, upon written request, will be granted up to five (5) minutes to appear and present to the Board at such meeting its protest and/or appeal. After the Board takes final action upon an RFQ, no appeals or protests will be acknowledged by JPSD. The decision of the Board shall be final, subject to Vendor's right to pursue a legal remedy.
