- Not accept the lowest priced proposal. Proposals that do not comply with the requirements stated within this RFQ or which are submitted after the deadline are subject to disqualification.

- See Page Five (5) for further instructions

I/WE UNDERSTAND AND AGREE THAT NEITHER THE AWARD OF THIS RFQ TO ME/US BY THE DISTRICT'S BOARD OF TRUSTEES NOR RECEIPT BY ME/US OF A NOTICE OF ACCEPTANCE OF THIS RFQ SHALL CONSTITUTE THE MAKING OF A CONTRACT BETWEEN JPSD AND ME/US, WHICH SHALL BE CONDITIONED UPON THE EXECUTION BY BOTH JPSD AND ME/US OF A FORMAL, WRITTEN AGREEMENT.

Company's W-9 must accompany this form for IRS purposes. Revised 11-08-18 bj

The Board of Trustees of the Jackson Public School District (hereafter referred to as "JPSD") is soliciting sealed, written formal RFQ proposals from qualified vendors (hereafter referred to as "Vendor") for the purchase of furniture, equipment, supplies, materials, labor or services as outlined in the following specifications. Sealed RFQs shall be received by JPSD, in the Business Office of the Jackson Public Schools, 662 South President Street, Jackson, Mississippi, until the time specified on the RFQ Opening Schedule (front page of the formal RFQ document), at which time all RFQs shall be publicly opened and read aloud. Neither dating of the RFQ form nor placing the RFQ in the mail by this date shall meet legal requirements; the formal RFQ document must be **received in the Business Office** of the Jackson Public School District on or before the date and time stated.

JPSD reserves the right to reject any and all RFQs received and to waive any and all informalities. Vendors are encouraged to very carefully read all sections of this RFQ document prior to submitting an RFQ proposal.

It is the basic philosophy of JPSD to extend to all responsible Vendors equal consideration and the assurance of unbiased judgment in determining whether their product or service meets specifications and the educational needs of the school district. JPSD shall fairly evaluate all formal RFQ proposals submitted and base all decisions on the "lowest and best" RFQ concept, purchasing only those products and/or services which meet the specifications as written. All decisions rendered shall strive to achieve the greatest value from every tax dollar expended. JPSD shall make no discrimination based on race, color, creed, religion, or national origin, in either the product evaluation process or in transacting business with Vendors or Vendor representatives.

The advertising and publishing of this RFQ has met all legal requirements (Mississippi Code of 1972, Annotated, §31-7-13), hence the requirement to offer public notice of the intent of JPSD to solicit RFQs via this RFQ document has been satisfied.

This document is to serve as an invitation to all qualified vendors to extend to JPSD, an offer, for the sale of all products and/or services specified herein. It is the purpose of this RFQ document to clearly define "open" and "competitive" product or service RFQ specifications. All items on this RFQ are to be **as specified or JPSD approved equal**.

Addendum: Vendor shall acknowledge the receipt of all addendums that may have been during the course of this RFQ. If specified in the text of the addendum, in addition to acknowledging receipt of the addenda below, the addenda may require additional information required for the RFQ (e.g., pricing), in which case the Addendum shall not only be acknowledged below but shall be completed and attached to the RFQ at the time the RFQ proposal is submitted. Receipt of the following Addendum issued during the course of this formal RFQ is hereby acknowledged:

Addendum Number		Date	
Addendum Number		Date	
Addendum Number		Date	

It is acknowledged that this RFQ proposal consists of the following sections: **PROPOSAL FORM, INSTRUCTIONS AND CONDITIONS, SPECIFICATIONS** and any **ADDENDUM** (if applicable).

Net Prices

In all cases, prices quoted are to be net including all applicable discounts. A separate price shall be offered for each item and not in combination with other items (unless the grouping of items is otherwise allowed as defined in the specifications). Unit price shall prevail in case of a conflict between unit and total price (extension); written price shall prevail in case of a conflict between written and enumerated pricing. Vendors are instructed to **round off all unit pricing and extensions to the nearest whole cent; i.e., round the pricing to two places to the right of the decimal point only**. The JPSD mainframe computer database is designed to accept only pricing which is stated in this manner. All items for which pricing is submitted which is other than two places to the right of the decimal shall be accepted; however, all digits beyond a whole cent (more than two places to the right of the decimal) shall be ignored in the RFQ analysis process and the unit price indicated on the purchase order shall be to the nearest whole cent for each item involved.

Payment and Invoicing

Unless otherwise indicated in the detailed specifications of this RFQ document; JPSPD shall make remittance in a **single lump sum** payment **following satisfactory delivery of all items** listed on the purchase order or following satisfactory performance (final inspection) of all services as specified in the contract. JPSPD remits by "completed purchase order" only; remittance shall not be made upon receipt of partial shipments or performance, or the receipt of invoicing for same, but only after all items included on the purchase order or contained in the contract are delivered and/or satisfied.

It is mutually understood that invoices submitted against Multi-Year or Open Purchase Orders, remittances are processed based on the contracted scheduled agreement prior to the purchase order being generated. Only **Multi-Year** and **Open Purchase Orders** have multiple invoices received for remittance for payment. Professional Services, materials and other such services; invoices are submitted for payment in intervals following satisfactory delivery of ALL services and /or performance of ALL services indicated in the contracted agreement between said vendor and JPSPD for that time period, following inspection if applicable.

Default and Delays

Upon failure of the Vendor to deliver all of the items ordered or to render service, within the time set or allowed, the successful Vendor shall be considered in default, in which case JPSPD reserves the right to terminate the purchase order or contract and to purchase similar supplies, services, or furniture and equipment, on the open market or secure the manufacture, delivery, and installation thereof by contract or otherwise. The Vendor shall be charged with any cost occasioned by JPSPD whether said cost is the same as originally accepted or any excess cost.

Damage to School Property

Any damage or loss to JPSPD property as a result of any action by the Vendor in the delivery, execution or performance of any item or service stated in these specifications shall be repaired or replaced to the satisfaction of designated JPSPD personnel, at the Vendor's cost, within a reasonable time.

Guarantee

Each Vendor, by presenting an RFQ under these specifications, binds himself to make positive that all goods are fully up to the standards set by the specifications. Should it be discovered within a reasonable period of time from the date of purchase order or contract that such goods or services are not up to standard, JPSPD shall have the right to have such goods or services replaced by others conforming to the standard requirements and the entire expense be borne by the Vendor. The Vendor shall agree to guarantee and warrant all equipment provided as a result of this RFQ for a period equal to the stated guaranty/warranty in the specifications. All such warranties shall provide the coverage as indicated in the specifications.

Acceptance and Award of RFQ Proposals

The Vendor's RFQ proposal, once submitted and accepted as a valid RFQ by JPSPD, shall be deemed by both parties to constitute a legal and binding offer on the part of the Vendor to sell to JPSPD as per the terms of the RFQ specifications, all products and/or services contained therein. RFQ proposals are subject to acceptance by JPSPD at any time within ninety (90) calendar days following the RFQ opening date. Consequently, all price quotations shall be effective for a minimum of ninety (90) calendar days and a maximum period as indicated in the specifications. All RFQs must be valid for the effective dates stated in the specification, if applicable.

Award of contract shall be made to the responsible Vendor whose RFQ, conforming to the specifications, is deemed to be the most advantageous to JPSPD, price and all other factors considered. The Vendor acknowledges the right of JPSPD to reject the RFQ, in part or in total, if the Vendor fails to submit the data required in the specifications, or if the RFQ is in any way incomplete or irregular. Under no circumstances may a Vendor deliver, install, or perform any service as specified in these specifications without written authorization from JPSPD (i.e., a duly issued purchase order or signed contract). All formal RFQ proposals shall be approved by the Board of Trustees prior to the award of the RFQ.

The Vendor shall be issued a purchase order document, which shall be deemed acceptance of the RFQ proposal offer made by the Vendor, for all items and/or services approved by the Board of Trustees and awarded as a result of this RFQ. However, if in the opinion of JPSPD a contract document is required to

authorize the award of the RFQ, Vendor agrees to sign and execute all such contract documents as required in the written specifications. NOTE: If Vendor policy requires that JPSPD sign Vendor contract documents, a sample of all such documents shall be included with the RFQ proposal and shall become a part of the Vendor's RFQ proposal.

Grievance Procedure

JPSPD has adopted a Vendor Grievance Procedure to address and resolve any Vendor grievances or disputes resulting from or arising out of JPSPD's RFQ process. If Vendor disagrees with any aspect of the RFQ process, Vendor shall adhere to the following procedure. Vendor shall submit a letter or written statement of protest to the Purchasing Agent, with a copy to the Superintendent, identifying the RFQ, including RFQ number, title, opening date and, if applicable, the item number(s) at issue, and explaining, in detail, the nature of and/or reason(s) for the protest. No verbal protest shall be acknowledged by JPSPD. Vendor protests must be received by the Purchasing Agent not later than five (5) business days prior to the date of the Board meeting at which the Board is to act upon the RFQ that is the subject of the protest. A review committee, appointed by the Superintendent, shall evaluate the protest and render a decision expeditiously. The decision of the review committee shall be based on evidence presented by the Vendor, the Purchasing Agent and other appropriate parties, to be determined in the discretion of the committee. In the sole discretion of the committee, the committee may conduct a hearing on Vendor's protest. The decision of the review committee shall be submitted to the Superintendent for approval. The protesting Vendor shall be informed, in writing, of the Superintendent's decision not later than two (2) business days prior to the date of the Board meeting at which the Board is to act upon the RFQ that is the subject of the protest. The Superintendent's decision shall be final unless Vendor appeals such decision to the Board of Trustees. If Vendor wishes to appeal the Superintendent's decision, Vendor shall deliver its appeal, in writing, to the Office of the Superintendent not later than 12:00 p.m. on the date of the Board meeting at which the Board is to act upon the RFQ that is the subject of the appeal. Appeals shall be presented to the Board at the meeting at which the Board acts upon the RFQ that is the subject of the appeal and Vendor, upon written request, will be granted up to five (5) minutes to appear and present to the Board at such meeting its protest and/or appeal. After the Board takes final action upon an RFQ, no appeals or protests will be acknowledged by JPSPD. The decision of the Board shall be final, subject to Vendor's right to pursue a legal remedy.

Submission of RFQ Proposals

RFQs, once completed, should be placed in an opaque sealed envelope. On the outside of the envelope, list the vendor's name/address, RFQ number and title as they appear on the RFQ proposal in order that the RFQ may be accurately registered upon receipt. A responsible official who is a legal representative of the Vendor must sign the attached proposal form, in order for the RFQ to be valid and acceptable. An RFQ which is not signed is not binding on the part of the Vendor and therefore does not constitute an informality which may be waived by JPSPD. Please submit proposal to address listed below

COST OF SERVICES

Your organization agrees that the bid submitted is based on a flat, commission paid fee for the services to be provided as outlined in this RFQ. A breakdown of the fee by coverage line is not necessary. The fee shall include all costs associated with the performance of the contract including travel and out-of-pocket expenses incurred by the organization, its parent, sister, or subsidiary companies and contractors.

JPS agrees to pay quarterly commission due 45 days from the date of invoice received for the preceding quarter of revenue generated.

Pricing must remain firm for one (1) year from date of award. Proposal must also include pricing for years 2 and 3.

The district reserves the right to request a best and final offer from Offerors during the evaluation process.

The district intends that the contract, if awarded, is for a period of one (1) year with an option to extend up to two (2) additional years.

SELECTION

The district's evaluation team will initially determine if a proposal satisfies the requirements stated in this Request for Qualifications and shall evaluate each proposal on the criteria listed below. The award of a contract resulting from this Request for Qualifications shall be based on the best proposal received in accordance with the evaluation criteria stated below:

- Cost
- Experience in Business and Financial Stability
- Expertise of Personnel, Staffing, and Management Capability
- References

JPS reserves the right to consider all relevant and reasonable criteria in selecting the successful proposer, which may or may not be expressed in this specification description.

The Board of Trustees has adopted a minority participation policy (attached) that should also be considered when submitting a proposal. The proposal should indicate the percentage of minority participation in the proposal.

Any explanation or statement which the proposer wishes to make must be placed in the same envelope with the proposal and attached thereto, but shall be written separately and independently of the proposal. Unless the proposer so indicates, the proposal shall be in strict accordance with the specification requirements.

While price is an important element that JPS will consider, many other factors will also be considered and the contract may not be awarded to the lowest dollar amount proposer. This document is a Request for Qualifications and the district is seeking a solution as described herein, **not a bid** meeting firm

specifications for the lowest price. Competitive sealed proposals will be evaluated based on criteria formulated around the most important features of the service, of which experience, references, and availability or capability, may be overriding factors, and price may not be determinative in the issuance of a contract or award. The proposal evaluation criteria should be viewed as standards, which measure how well a vendor's approach meets the desired requirements and needs of the district.

Proposers must satisfy themselves, upon examination of these specifications, as to the intent of the specifications. After the deadline for submission of proposals, proposers shall make no complaints or claims regarding ambiguity or misunderstanding of the proposal specifications.

Proposers may withdraw a proposal, in writing, at any time up to the actual proposal due date and time, if the proposal has already been submitted to the JPS Business Office. To accomplish this, the written request must be signed by an authorized representative of the proposer and submitted to the JPS Business Office. If a previously submitted proposal is withdrawn prior to the proposal due date and time, the proposer may submit another proposal at any time up to the proposal due date and time. Withdrawal of a previous proposal must also be requested in writing, signed by an authorized representative of the proposer and submitted to the JPS Business Office.

All proposals shall be deemed final, conclusive and irrevocable and no proposal shall be subject to correction or amendment for any error or miscalculation, unless the correction or amendment is submitted to JPS prior to the deadline for receipt of proposals and in the same manner as the initial proposal was submitted.

An electronic version of the RFQ is available on the district's web site:
[www.jackson.k12.ms.us/BusinessOffice/RFPs& and Bid Notices](http://www.jackson.k12.ms.us/BusinessOffice/RFPs&andBidNotices)

Any questions concerning this RFQ must be submitted, in writing, by mail, fax or e-mail (preferred) by 12:00 p.m. CST, December 17th, 2020, to the contact person listed herein. Proposers shall submit any questions or exceptions they have concerning the RFQ during this period in the RFQ process. If a proposer discovers any significant ambiguity, error, conflict, discrepancy, omission, or other deficiency in this RFQ, the proposer should immediately notify the point of contact of such error and request modification or clarification of the RFQ. Corrections and Questions and Answers also will be posted on the district's website (link above) by 4:00 p.m. CST, December 18th, 2020.

The Board of Trustees (referred to hereafter as the "Board") of JPS reserves the right to reject any and all proposals and to waive any informalities, irregularities or technicalities in any proposal. The contract will be awarded, if at all, to the most responsible proposer meeting the specifications in this RFQ, as determined by the Board. Proposals should be submitted on the premise that JPS intends to contract with only one (1) proposer to provide all services. While the financial responsibility of the proposer is a significant concern, the Board is equally concerned with the proven ability of the proposer to satisfactorily perform the contract.

Proposals will **not** be publicly opened.

After proposals have been received, the district reserves the right to select the proposer or proposers deemed the most qualified on the basis of the factors and criteria set out in this RFQ, but not limited thereto, and to conduct negotiations with said proposer or proposers for the award of a contract.

Top scoring proposers (based on an evaluation of the written proposal) may be required to, at their expense, participate in interviews, presentations, and/or site visits to support and clarify their proposals, if requested by the District. The District will make every reasonable attempt to schedule each presentation at a time and location that is agreeable to the proposer. Failure of a proposer to participate in the interview, presentation and/or participate in a site visit on the date scheduled may result in rejection of the proposer's proposal.

All proposers shall submit a sample contract integrating the requirements specified herein as part of their proposal. It shall be executed by the proposer as an offer to JPS to contract on the terms specified therein.

All proposals submitted will become the property of the Jackson Public School District and **will not** be returned. Proposals must remain open and valid for a period of 90 days from the opening date, unless the time for awarding the contract is extended by mutual consent of the proposer and the district.

Proposers may designate those portions of their proposal which contain trade secrets or other proprietary data, which they wish to remain confidential. Those data should be highlighted in "bold" text within the document and marked/designated "Confidential."

If the district does not agree that such data, or any portion thereof, is confidential, the proposer shall be notified, in writing, what portions of the proposal the district may, or may be required to disclose, unless the proposer withdraws his proposal.

The contract shall not be assigned or subcontracted without the prior, written consent of the Board of JPSD.

RESTRICTION OF CONTACT

From the issue date of this RFQ until the Board selects a respondent for award, the contact person listed is the **sole** point of contact concerning this RFQ. At no time should any contact be made with any other district employee, school board member, etc. **If it is discovered that a responder, any representative of the responder, vendor and/or vendor representative has engaged in any violations of this condition, the vendors' response may be rejected or contract award rescinded.** All vendors must agree not to distribute any part of their submission. Any vendor that shares information contained in its submission with other district personnel and/or competing vendor personnel may be disqualified.

In the event that it becomes necessary to provide additional clarifying data or information, or to revise any part of this RFQ, revisions/amendments and/or supplements will be provided to all known recipients of this initial RFQ and posted to the district's website at: [www.jackson.k12.ms.us/BusinessOffice/RFPs& Bid Notices](http://www.jackson.k12.ms.us/BusinessOffice/RFPs&BidNotices)

Each proposal shall stipulate that it is predicated upon the terms and conditions of this RFQ and any supplements or revisions thereof.

JPS may exclude a contractor or its subcontractor from participating in this RFQ process and/or terminate the contract if the contractor, subcontractor or its principal(s) have been debarred or excluded from doing business with the federal government.

COLLUSIVE PROPOSING

In submitting a proposal, the proposer certifies that the submission is made without any previous understanding, agreement or connection with any person, firm, or other entity and is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action.

CONTRACT CANCELLATION

In the event the Contractor at any time fails to materially comply with, perform, and/or adhere to any part of the contract to be performed by the Contractor, its agents or employees, the Board may, at any time in its discretion, terminate the Contract without penalty upon thirty (30) days written notice to Contractor.

SUBMITTAL FORMAT

Organizations who wish to be considered must submit an original and four (4) copies of their response. All submissions become the property of the district and will **not** be returned.

No addenda will be issued later than seven (7) days prior to the date for receipt of proposals. Each proposer shall ascertain prior to submitting their proposal that all addenda have been received. Any addenda issued will require a signature acknowledging receipt of such.

Each proposal **must include the additional** form provided within this document and must be contained in a sealed envelope, which shall be endorsed on the outside with the following information:

- **PROPOSAL FOR PROPERTY MANAGER AND COMMERCIAL REAL ESTATE BROKER**
- Name and Address of Proposer
- Date and Time due

Proposals shall be submitted to the Business Office of the Jackson Public School District located at 662 South President Street, Jackson, MS 39201.
