Thought for the Week

Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow.

-Melody Beattie

Dear Parents/Guardians:

It is hard to believe that we have reached the mid-term of the second nine weeks. Our Olympian scholars have shown a lot of growth since we first started the virtual school year. Progress reports will be available for review in Active Parent today.

Beginning Tuesday of this week, students will begin taking district mid-term assessments. We will use this data to assist us with preparing for Benchmark 2 assessments in December. Please be sure your child attends every class this week and completes each assignment.

As always, we appreciate your patience and your support as we continue to improve virtual learning for our Olympian scholars.
