Parent Edition

Thought for the Week

I have learned over the years that when one's mind is made up, this diminishes fear; knowing what must be done does away with fear. -Rosa Parks

Dear Parents/Guardians:

We have officially ended the first term. We have learned a lot as we have worked through the past nine weeks of virtual teaching and learning. Your support has meant so much to us. It is an honor to serve our Olympian scholars.

As we launch into the second term, we are expecting our scholars to meet and exceed every challenge. We want to push them to be the best! Stay with us as we shift in a higher gear of virtual teaching and learning.

New Namesake Update

We have narrowed the list to the top three finalists. This week, students will engage in lessons and activities about the three finalists. The finalist will be posted on the district's website today.

Going for the Gold in Class Attendance

Please be sure your child attends each scheduled class every day. **As a reminder, all students have an arts access or emphasis class every day from 11:45 a.m. - 12:30 p.m. Students will receive a grade for these courses.**

Report Card Update

Report cards will be available for review in Active Parent on Friday, October 30, 2020. A hard copy will also be available for pick up by appointment only.
