Dear Parents/Guardians,

We are pleased to welcome the students and families of Peeples Middle School to the 2022-2023 school year. Our staff is committed to ensuring an outstanding learning experience for all our students as we support their development as scholars and citizens. We are dedicated to the success of each student.

We look forward to **Providing Excellence in Education**, and **Producing Leaders Equipped to Succeed**.

As we continue to ensure academic proficiency in our students, we will be developing the following key skills in our students: effective communication both orally and in written form; being innovative and creative; the ability to critically think; apply knowledge and skills to real-world settings; and, work collaboratively with others. Your support and cooperation and our best professional efforts will support this goal.

As we work together during the year, I encourage you to let us know how you and your child/children are experiencing school. We promise a rewarding and enjoyable school year for scholars through open communication, teamwork, and a dedication to continuous improvement.

SEL: What is mindfulness?

Mindfulness supports SEL as the base of awareness. Mindfulness is paying attention in the present moment. It includes being aware of one's thoughts, emotions, bodily sensations, and the surrounding environment. By practicing mindfulness, research shows there is often an increase in the ability to focus, manage emotions, as well as promote mental and physical well-being and resiliency.

Teachers participate in team building activities during the opening days of the school.

Can you solve it?

Directions: Each row, column and square (9 spaces each) needs to be filled out with the numbers 1-9, without repeating any numbers within the row, column or square.
