

The West Point Society of Mississippi Invites you to a ...

West Point Cadet-Led Collaborative Workshop for Students and Educators

LEADERSHIP

IN

STEM

Friday, February 2, 2024

8:00 AM - 3:00 PM

Mississippi e-Center @ Jackson State University
1230 Raymond Road
Jackson, MS 29215

Focus: This free Workshop is intended to develop leadership and promote ethical behavior for student-leaders and educators. Participants will participate in exercise, demonstrations, and competitions, with the goal of producing STEM-competent leaders of characters for the next generation.

The Target Group: The ethics leadership portion of the workshop focuses on 11th graders with demonstrated leadership ability. The STEM portion focuses on middle schoolers with a strong desire to pursue a STEM profession.

Workshop Content:

- Students will compete for top honors
- Students are expected to dress in Army Service Dress Uniform or business casual attire.
- Students must bring Chrome Books or Laptops
