*Going for the Gold: Learning and Leading with Excellence  
Parent Edition  
February 8, 2021*

## Thought for the Week

Dear Parents/Guardians:

We are looking forward to another great week of teaching and learning. We are excited to have some of our Olympian scholars back in the building. We are working hard to keep everyone safe as we continue to provide scholars with a world-class learning experience.

Scholars have completed the middle of the year STAR assessments. Teachers will be sharing those results with you.

Mid-term assessments will be given February 11-15, 2021. Please be sure your child is present in class every day and all assignments have been completed.

As always, we appreciate your patience and your support as we continue to improve virtual learning for our Olympian scholars.

~ Stay Safe!

## **Ida B. Wells APAC**

Our school name has officially been changed to Ida B. Wells. We are excited to begin the rebranding process. Stay tuned for more information.

Tomorrow at 12:00 p.m. on FB Live, Dr. Ebony Lumumba will be in conversation with Michelle Duster about her new book, *Ida B. The Queen*. Ms. Duster is the great-great granddaughter of Ida. B. Wells. Our students will watch the live event.
