

# Northwest Jackson IB ★ Bailey APAC

Greetings Wolverine and Knight Nation,

I would like to welcome each and every one of you to the 2021-2022 school year which is upon us. As we update our communication platforms, here are a few important reminders. Registration for the 2021-2022 school year remains open and will be completed using your ActiveParent account. Please remember that all upcoming 7<sup>th</sup> grade scholars must receive his or her tDap shot and have a Form 121 to upload to complete registration. Please check with your child's pediatrician or family doctor for information on receiving the required immunization. I know there are many questions about the upcoming school year with the relocation of the APAC program to Northwest, but please remember, the only difference for our Bailey scholars will be the location of your classes. All other processes for the beginning of school such as registration and transportation will remain the same. Open house will serve as our orientation for many scholars to see their new learning spaces and many of your questions and concerns will be answered during this time. We are updating both websites and any information pertinent to the beginning of school will be included. Open House is scheduled for Sunday, August 8<sup>th</sup> and will begin at 3 pm in the Northwest gymnasium. If you have any questions, please call the school at 601-987-3609.

Educationally yours,

Kevin L. Culver
