WINTER HOLIDAY COMMUNITY AND SERVICE

November 29, 2023

Dear Parents/Guardians:

Thursday, December 21, 2023, has been designated as a “Winter Holiday Community and Service” day for our scholars.

This is an event where students are required to contribute to their community and volunteer at any school-approved volunteer site. Because the faculty and staff of Northwest Jackson International Baccalaureate World Middle School and Bailey APAC Middle School we wholeheartedly believe in fulfilling our schools’ missions by empowering our scholars to give back to the community we serve and become more caring and open-minded citizens with respect to all cultures. Our goal for each scholar is to have an impactful day of service they can reflect on and build upon as lifelong learners. Therefore, we are seeking to provide genuine experiences that will help students understand the importance of giving back and making a difference to prepare them to build communities on respectable and principled values. When selecting the volunteer opportunity, please consider the outcomes outlined in the volunteer packet.

This is an exam grade/project for students. Students are required to participate. Please note that students cannot choose Northwest Middle School or Bailey Middle School as volunteer sites on this day. Students will complete a project detailing their volunteer experience. Students must also send a thank you letter via email and carbon copy (cc) to their teacher. The project will be due by **11:59 pm December 21, 2023.**

Please complete all the information on the permission form. This form should be returned by **Monday, December 11, 2023.** If you have further questions after reviewing this letter and the attached information, please contact your child’s Social Studies teacher via email.
