

ADMINISTRATIVE CONSULTANTS

The administrative and supervisory staff of the Jackson Public School District may use professional consultants from the State Department of Education, colleges, universities, and other sources. All consultants shall be approved by the superintendent or his designee and the board of trustees prior to the making of any arrangements.

Records or requests for persons or corporations or partnerships or firms to perform consulting work, be it for whatever cause or reason, shall be maintained in the superintendent's office or his or her designee. All consultant contracts shall contain an accountability clause and measurable goals and measurable outcomes.
