

PUBLIC HEARINGS

At its discretion, the board may have a public hearing on matters of great concern to the community. Interested or affected persons should make every effort to discuss matters informally with the superintendent or designee relative to the item to be discussed at the public hearing.

When individuals speak formally before the board at such hearings, they shall submit their views in writing.

Whenever a hearing is conducted by the board, citizens will be permitted to address the board preferably through one or two spokesmen. When the board believes that all pertinent information has been received, it may take these comments under advisement for future action or decision.
