After the records are located and made available for inspection and/or duplication, the originator of the request will be notified of a time, place, and date, not later than seven (7) working days from the date of the receipt of the request, to allow inspection and/or duplication.

If the public record is unable to be produced by the seventh (7<sup>th</sup>) working day after the request is made, a written explanation will be provided to the person making the request stating that the record requested will be produced and specifying with particularity why the records cannot be produced within the seven-day period.
