

DISTRICT CELLULAR TELEPHONES USAGE POLICY

The Jackson Public School District provides cellular telephones to employees deemed essential by the superintendent or her or his designee. It is free of cost to the employee.

Students and staff are encouraged to use any available cellular telephone in the event of an emergency that threatens the safety of students, staff, or other individuals. The provision of cellular telephones is a privilege that may be revoked if it is abused, as determined by the Superintendent. Telephone records are the property of Jackson Public School District and may be reviewed at any time for any reason by Jackson Public School District. Employees have no expectation of privacy in reference to telephone bills.
