LONG RANGE MAINTENANCE OF BUILDING AND GROUNDS

This school district operates in accordance with a five year plan which is annually revised and which addresses specific actions to improve the quality of education provided by the district.

The board of trustees shall be the custodian of real and personal school property and to manage, control and care for same, both during the school term and during vacation. The grounds shall be adequately maintained for the educational and recreational program of the students and the overall requirements for providing such grounds shall be continually reviewed.
