WORKDAY ALTERATIONS FOR COURSE WORK

Section GACI, general personnel policies, outlines the terms of the contract of employment or agreement of employment for all employees.

“Unless otherwise indicated in the contract or agreement of employment, the workday of full-time school personnel shall be eight hours in length, Monday through Friday.”

Permission may be requested by an administrator, a classified employee, or any fifty (50) week employee to take a course during the workday with the understanding that, upon approval of the request by his supervisor, a reduction shall be made in his or her salary commensurate with the time lost, based on his or her per diem rate.

Employees who take night courses may request permission to leave one time a week. If approved, this absence will be without a reduction in pay and the method of making up the time lost shall be prescribed by the supervisor.
