

PAPERWORK REDUCTION

It shall be the policy of the Jackson Public School District that paperwork required of teachers and staff be limited to that which is directly related to the instructional program and shall contribute to the effectiveness of the instructional program in the district. Reports required by the state or federal government may be required. All other reports and paperwork requirements shall be reviewed and appropriate action taken to eliminate or reduce those which are not essential. The district board and administration will continue to improve the ability of the district to manage instruction and fiscal requirements by electronic means.
