

CERTIFICATE FOR COMPLETION OF PRESCRIBED PROGRAM

Scholars who are ruled eligible for exceptional education services program based on state and district standards, will receive a certificate of completion. These scholars will have met their Individualized Education Plan (IEP) goals and objectives and completed at least 4 years of high school to obtain a certificate which states, "This student has successfully completed an Individualized Education Program." These scholars may be permitted to participate in graduation exercises and return to school to receive services until they are age 21.
