

JACKSON PUBLIC SCHOOL DISTRICT  
BOARD POLICY IGF  
COMMUNICATIONS SYSTEM

---

COMMUNICATIONS SYSTEM

It is the responsibility of the teacher to continuously and regularly communicate information to parents or legal guardians about their child's social, physical and intellectual development. These communication efforts shall be in addition to those regular student appraisal reports prepared and sent home by teachers. Such efforts will help to ensure parental or the legal guardians' understanding and support of the instructional programs of the Jackson Public School District. The District also utilizes a mass communication system to keep parents and legal guardians informed.
