### VOCATIONAL AND CAREER TECHNICAL EDUCATION

The Jackson Public School District School District is committed to providing a quality program of Vocational and Career Technical Education and shall adhere to applicable state and federal laws, rules, and regulations.

Students who participate in the vocational and career technical program shall be required to complete all curriculum requirements for completion or graduation, as defined by the State Board of Education. Please refer to student handbook or guidelines for vocational procedures. The superintendent or designee shall develop procedures to support this policy.
