

DISTRICT-TO-DISTRICT TRANSFERS

Section I: Student Leaving the District

The superintendent is authorized and empowered, subject to concurrence by the board, to approve the transfer of a student from this school district to another school district upon the written request of his/her parent or legal guardian.

Section II: Students Coming to the District

The application for district-to-district transfer of a student from another school district will only be considered for approval according to specified criteria as prescribed by the school district on an annual basis.

The district-to-district transfer is then subject to the approval of the Superintendent of schools and the Board of Trustees. This policy does not apply to a child or legal ward of a fulltime employee of the district who lives outside the district. When the board of the district in which the fulltime employee is a legal resident approves the transfer of the student to this school district, the student will be assigned to the school where the parent or legal guardian is employed. Transportation for such cases shall be provided by the parent or legal guardian of the student.
