TRANSPORTATION TO AND FROM SCHOOL

Bus transportation will be provided students whose residence is a mile or more by the nearest traveled road from the school to which they are assigned. (EC)

Students enrolled in special or alternative programs approved by the superintendent may also be provided bus transportation.

Bus transportation for exceptional students as defined by law is provided to and from school upon proper certification by the executive director for exceptional education services and the approval of the superintendent or designee. (EC)

Rules and regulations governing the conduct of students who use school district transportation shall be prepared and distributed at the direction of the superintendent. Violation of such rules or regulations may result in disciplinary action.
