

TRANSPORTATION TO SPECIAL EVENTS

Under the direction of the principal, with the approval of the superintendent or designee, organized groups which require transportation to and from the point of a special event inside or outside of this school district may be transported either by licensed public carriers or by district-owned school buses.

Where using district-owned buses, the distance is not to exceed 200 miles beyond the territorial limits of the state of Mississippi.

Groups in any of the competitive sports, choral and instrumental music performers, student council activities, school publication staffs, and field trip activities are eligible for transportation.
