

AUTOMOBILE USE

Driving on school roads and parking on school property is a courtesy offered to students and others by the school board.

The parking facilities located at the various school district buildings are not public parking areas and are to be used for school purposes only. School purposes include attendance at school activities or other school authorized activities which occur before or after the regular school day.

Violators may be charged with trespassing and/or vehicles towed at owners' expense.

The Administration, obtaining suggestions from the local police department, shall establish rules and regulations to assure traffic safety. The district shall not assume any responsibility for damage to vehicles.

Students shall not sit in or upon vehicles parked on the school campus.

Students shall be responsible for locking their vehicles upon arrival since the school district shall assume no responsibility for any loss.

Failure to abide by vehicle regulations may result in the loss of the right to bring a vehicle to school or other disciplinary action.

Student automobiles are subject to administrative searches.
